## IRAVEIL PACKIR

Your checklist for the World!

## ABOUT

Travel Packr is an application where users can create travel packing lists that are specific to a city. Users have the capability to copy other users lists and make them their own. Lists can be accessed from the home map page when the user clicks on a specific city, the page then redirects to all the lists pertaining to the city that was clicked. This app allows for facebook login and commenting, and contains an admin feature. The admin has the ability to create locations, and perform full crud on users and lists.

## THE PROBLEM

HOW MANY OF US KNOW WHAT TO PACK WHAT TO EXPECT

WHEN TRAVELING TO A PLACE WE'VE NEVER BEEN

## THE CITY NIGHTLIFE

What to see when night falls on Paris
